Report on the evaluation of mobility activity 4

A few days after the end of the mobility activity, the staff and/or teachers/trainers from each partner organisation met with the adult learners who participated in the mobility activity in order to evaluate, as a group, the activity using the questionnaire below. Afterwards, the representatives from all partner organisations participated in a Skype conference to analyse the results of the evaluation and agree on the implementation of improving measures if needed (see "Conclusions by project partners").

*** 1. The instructions for the preparation activities prior to this mobility activity were clear and useful.** (1=Lowest mark; 5=Highest mark).

- Association of Nigerians in Slovenia: 4.5
- Cantiere Giovani: 4
- Engage Youth Empowerment Services: 5

How would you improve this mobility activity?

9. Provide better information before the mobility activity.

If yes, please specify what information.

- No comments

10. Improve/use different methodologies.

If yes, please specify what information.

- Split groups of work more random in order to develop communication between participants

11. Make the activities more stimulating.

If yes, please specify what information.

- No comments

12. Improve the organisation/timetable of the mobility activity.

If yes, please specify what information.

- No comments

13. What other improvements would you recommend for the next mobility activity?

- Activities to allow more interaction between participants from different countries
- More participating countries. More persons from participating countries
- More individuals could be involved in the presentation
- before the meetings to make known the results of experiences of the association organize

14. What was least valuable about this mobility activity?

- Delays in beginning of activities due to participants failure of being in time according to the scheduled agenda.
- Mistakes are the least valuable

15. What was most valuable about this mobility activity?

- Monday activities related to methods on how to make persons to develop and grow, as well as the Index of success method.
- The workshops.
- The cultural evening which I think everyone really enjoyed the happy atmosphere that this event created.
- The presentation
- The possibility to propose again the multiple experience in the own background social structure

16. This mobility activity was a positive experience for myself. (1=Lowest mark; 5=Highest mark).

- Federación de AAVV de La Rioja: 5
- Malta UNESCO Youth Association: 5
- Fundatia Centrul de Resurse Pentru Diversitate Etnocultural: 5
- Stowarzyszenie WIOSNA: 5
- Association of Nigerians in Slovenia: 4.5
- Cantiere Giovani: 4
- Engage Youth Empowerment Services: 5

Conclusions by project partners:

The average satisfaction level was very high. However, from the above comments and after the skype conference between partners, the following modifications were agreed upon:

- As discussed previously between partners, It is too difficult to add more exercises such as ice-breaking activities, cultural learning ... during the mobility due to the time restraint. However, future hosting organisations will try to implement activities with groups mixing participants from different countries whenever this is possible.
