STRENGTHS

STRENGTHS OF THE BEST PRACTICE

- It promotes motivation and learning.
- It helps participants to express their views in a natural and spontaneous way.
- It encourages communication and interaction with other participants from different nationalities, cultures and social status.
- It helps overcoming social weaknesses.
- It helps understanding and respecting other cultures in European countries as well as their ways of life and customs.

WEAKNESSES

- WEAKNESSES OF THE BEST PRACTICE-
- The need to speak one and the same language to promote interaction between participants
- There is little time to develop all the planned activities.

OPPORTUNITIES

- BEST PRACTICE OPPORTUNITIES
- The development of interactive projects encourages and facilitates the participation of the members belonging to the different groups.
- An interactive, informal exhibition holds the participants' interest.
- Predisposition to good manners.
- Mixing the participants up enhances group conscience through nationality boundaries and increases the respect for other cultures. It promotes learning from each other.

THREATS

THREATS OF BEST PRACTICE

- Forming too homogeneous groups can hinder the relationships with members from other groups.
- The use of overly technical language may lead to loss of interest.
- It is necessary to provide the attendants with the adequate tools and facilities.
- Everyone's participation must not be hindered by economic matters.
